## Welcome

Dear Industry Partner,

The 23rd Annual ERUS meeting is coming to Padua on 9-11 September 2026, and we are inviting you to help make this edition another success for robotic urology.

ERUS26 is Europe's biggest event fully dedicated to robotic urology, a highly dynamic meeting that features live surgery sessions, case discussions and state-of-the-art lectures. There will also be opportunities for workshops, ESU Courses and a Technology Forum. The meeting will attract younger urologists with a programme of the Young Academic Urologists (YAU) – Robotic Working Group and OR nurses & Registered Nurse First Assistants (RNFAs) with a programme of the EAUN Special Interest Group for Endourology and Robotics.

In this brochure you can find several options for your company to sponsor parts of ERUS26. For instance, you can sponsor a surgical procedure as part of the live surgery programme to demonstrate your latest robotic system. You can book a talk as part of the Technology Forum to present your company's upcoming innovations or rent a booth in the exhibition and let delegates get hands-on.

Over a thousand expert robotic surgeons from around the world are expected to take part, this is your chance to reach key opinion leaders in robotic urology. We hope that with your support, we can make ERUS26 the best editions yet!

**Prof. Alberto Breda, Barcelona (ES)**

Chair, EAU Robotic Urology Section
